**DEFENDANT MARVIN McFOY'S
PROPOSED EXAMINATION OF THE JURY**

The defendant Marvin McFoy respectfully asks the Court to include the following in its questioning of the jury during jury selection, in addition to the questions generally asked by the Court.

1. Have you ever traveled to any country in Africa or to any country that might be considered part of the developing world?
2. If the prosecution presented evidence that Mr. McFoy was friendly with criminals, would you that lead you to presume that he is probably a criminal himself?
3. Have you or any members of your family ever struggled with problems of substance abuse? Do you have feelings about illegal drugs, more specifically, heroin that might affect your ability to be impartial in this case?
4. What magazines or newspapers do you subscribe to or read regularly?
5. What are your favorite television shows?
6. Have you had any experience with legal immigrants that might affect your ability to be a juror in this case?

7. Who is the public figure you most admire? Please explain.
